

What's the Lord Saying for 2011?

December 21, 2010 • By Tim Taylor

2 Corinthians 13:1"By the mouth of two or three witnesses every word shall be established." NKJV

The topics below are things the Lord has been speaking to me about; some since 2006. I heard Chuck Pierce speak at the International Coalition of Apostles meeting in Dallas last month and he addressed many of the same things our Lord has been speaking to me about. With this in mind it is time for me to release this word. This is what I hear the Lord saying for 2011.

Kingdom Movement

It is time for a kingdom movement. It is time for a new wineskin. It is not about a ministry or a network, but it is about a kingdom movement among kingdom minded ministries and networks who choose to demonstrate the gospel of the kingdom of our Lord Jesus Christ. It is time for a new order and a connecting or interconnecting of networks and tribes. Chuck declared in November that we have 9 months to establish a new wineskin.

Summits

There is wisdom in a multitude of council and it is time to begin to gather kingdom minded leaders who desire not only to define the gospel of the kingdom but also to demonstrate it with each other.

League

A league is a covenant or compact made between persons, parties, states, etc., for the promotion or maintenance of common interests or for mutual assistance or service. It is an association of individuals with a common goal. This kingdom movement will be marked by a people who not only understand but demonstrate covenant day in and day out. They see covenant not as a religious term but as a kingdom code to live by. The term "covenant" will be restored and demonstrated.

Patterns

There are patterns in God's word; blueprints so to speak. God tells Moses in Exodus 25 (Acts 7:44) to make everything according to the pattern or blueprint he was shown on the mount. In 1 Chronicles 28:12 King David gets the plans for the temple by the spirit. He gave these plans to his son so he could build. One of the attributes of a true apostolic gift is a gift of wisdom. Wisdom provides the plans, blueprints and patterns that bring revelation into reality. (2 Cor. 3:10 - wise master builder = spiritual architect)

Generations

There are usually three to four generations alive at any one time. God wants the generations to work together to fulfill His plan, demonstrate His love to fulfill their destiny while giving glory to God.

Honor

Honor requires words and deeds. We need the generations working together so that love and honor might be demonstrated from fathers to sons and from sons to fathers in all generations. If you receive a prophet or a righteous man in their respective name, you will receive that reward (Matt 10:41). If you want to receive the benefit of any other gift (apostle, pastor, teacher, evangelist, government official, business consultant, attorney, etc.) then you need to acknowledge that gift.

1 Peter 2:17 Honor all people. Love the brotherhood. Fear God. Honor the king.

It is Time

It is time to:

- Change, pioneer and build a new wineskin
- Demonstrate the gospel of the kingdom of our Lord Jesus Christ in word and deed with power
- Provide a habitation, a dwelling place for the presence of God continually city by city.

- Confront corrupt spiritual and natural governmental structures and to build the new according to God's pattern
- Mobilize the body of Christ as the army of the Lord
 - Chuck referred to this people as the triumphant reserve.
- Establish ARCs - Apostolic Resource Centers city by city

How We are Responding

I like what James says, faith without works is dead. You show me your faith without your works and I'll show you mine by what I do. We were already in the process of responding to the words above but when I heard Chuck declare at the ICA conference that we had 9 months to establish a new wine skin; I KNEW then that the timing of our actions was right.

Since 2008 the Lord has been speaking to me about establishing a new ministry, an association of leaders who represent the 7 spheres/mountains of society and the five fold ministry and to establish a new wine skin with a view to presenting the gospel of the kingdom of our Lord Jesus Christ. These are kingdom leaders who are passionate about demonstrating the culture of the kingdom even as we work together to advance the gospel of the kingdom. Some will be church planters, others establish prayer centers, some will be business and government leaders, others will excel at teaching and training, but all will be apostolic (strategic generals and builders). They will be passionate about teamwork and our corporately working together recognizing that no one's destiny is fulfilled alone. No ministry's destiny is fulfilled alone either. Each leader will represent a ministry, organization, business or network. It is to become a maturing expression of the government of God on earth as it is in heaven.

It is a League of Apostolic Leaders.

By June 2011 a new non-profit corporation will be formed to support this League. Its role, my role is to help lay a foundation and build teamwork so as to advance the gospel of the kingdom while strategically assisting each of these leaders in fulfilling their divine destiny in Christ. I intend to lay my life down to see them fulfill their destiny and I expect them to do the same with the leaders who are called to serve with them. I see each one of these leaders becoming like one of Israel's tribes of old. Together we can help each other possess our portion of the promised land.

Therefore, in February of 2010 I'll host our first summit which will set the direction and begin to define the kingdom culture we want to demonstrate. Additional summits will follow.

Operation Rolling Thunder (ORT)

ORT is a proven mobilization strategy and we will continue to provide leadership and support to other leaders who desire to use it to mobilize and connect the body of Christ in their respective communities.

CONNECT

CONNECT (Christian Outreach Network Establishing City-wide Teamwork) is introduced in Phase II of ORT. It is key to empowering local congregations and the Church in a city to maintain 24/7/365 prayer. It helps the Church occupy the Mountain of the Lord's House of Prayer for all Nations which is the first mountain that must be occupied. It also helps connect the 7 apostolic councils that are formed during ORT so that those respective leaders can discover God's plan for them to occupy their respective mountain of society. We will continue to steward this strategic communication plan.

By the end of 2011 we expect to be able to offer leaders an online version of CONNECT. It will equip each leader with their own strategic communications center and provide a way to mobilize and connect your people while staying strategically interconnected with the body of Christ in your respective community, county and state.

The Army of the Lord - 12 Legions

ORT and CONNECT are strategies or tools that serve the League of Apostolic Leaders and empower us to mobilize 12 strategic think tanks or councils. As leaders disciple leaders these councils become a family,

a tribe and a spiritual army. Jesus said in Matthew 26 that He could call 12 legions of angels. Those legions are 12 armies. Jesus has gone to the cross now. He taught us to pray kingdom come and will be done on earth as it is in heaven.

So Lord, I am praying, give us our 12 legions. Bring forth these apostolic people on earth even as there are 12 legions of angels in heaven. Bring forth the 5 fold councils and the councils for the 7 spheres. Bring forth my League of Apostolic Leaders. Bring forth that league of apostolic leaders to every leader whom you have called to pioneer and advance the gospel of the kingdom throughout the earth but especially here. Lord, help us to hit the mark in 2011 in Jesus name.
