

You Mark My Word

January 26, 2011 • By Tim Taylor

This phrase struck me this morning. "You mark my word!" First, I thought of how I've used it before. "You mark my word that thus and so will be done by this time tomorrow." It is a definitive statement with an emphasis on the completion of the words that follow.

Then I thought of the Lord and how He continues to "mark His words" with signs and wonders. Click the links below for some examples of how God has been marking His message regarding Operation Rolling Thunder.

The First Sign in 2011 - Thundersnow

I was in West Columbia South Carolina January 20-23, 2011 for their Gideon Prayer Conference hosted by Ebenezer Pentecostal Holiness Church. After I arrived they told me that thundersnow had just occurred only 10 days before.

Personally, I am very thankful that the Lord sent this prior to my arrival. Thundersnow showed up at our Operation Rolling Thunder Kick Off in January

2007. It was not very conducive to encouraging people to come to the Kick Off so I'm always thankful when God marks the message a few days before or after when snow and ice is involved.

Job 36:29-37:10 - the voice of the Lord, thunder, snow and ice

The Second Sign in 2011 - A Name

The Lord spoke to me the second day of the Gideon Prayer Conference and directed me to 1 Samuel 7:10-12 which says;

*10 Now as Samuel was offering up the burnt offering, the Philistines drew near to battle against Israel. **But the Lord thundered with a loud thunder upon the Philistines that day, and so confused them that they were overcome before Israel.** 11 And the men of Israel went out of Mizpah and pursued the Philistines, and drove them back as far as below Beth Car. 12 **Then Samuel took a stone and set it up between Mizpah and Shen, and called its name Ebenezer, saying, "Thus far the Lord has helped us."***

The second sign was the very name of the Church who hosted the conference. No wonder it was Ebenezer PH Church who was the host who invited me in.

The Third Sign in 2011 - Thunderstorm

On January 25, 2011, I received a voicemail report from our Gainesville Florida CONECTer Carl Krames. He and his wife Brenda had just finished presenting a DVD, "Appalachian Dawn" that describes one city's experience with transformation to a group of city pastors. They used that testimony to set the stage to present Operation Rolling Thunder and to encourage those pastors to have me in so we could begin to mobilize the body of Christ.

*Carl stated, "it went really well, and I thought you would be tickled that we had a monstrous thunderstorm and it has been raining for six hours straight here. It began right before the time we started it and it would literally thunder and different points during the watching of the movie on the Appalachian Dawn when they would talk about it was God moving and this and that. As it would thunder me and Brenda would just smile at each other because we knew what that was, these signs and wonders and we thought you'd be tickled. It rained so hard here that the retention pond in the front of the church was empty when we walked in and it was almost filled to the top when we were wanting to leave and it was a big retention pond. So its very unusual to get storms here in January but not on a day like today (when ORT is presented). Update January 27th - *Local news reports that over 2 inches of rain fell that day and it broke a rainfall record for that day [click for 2005-2007 similar testimonies](#). The Christian Pastor's Association of Gainesville has invited us in to host a Kick Off for their city April 15 & 16. (Ps 68:8 - The earth shook; The heavens also dropped rain at the presence of God; Sinai itself was moved at the presence of God, the God of Israel. NKJV)**

As I've shared in the book Operation Rolling Thunder II, these are the kinds of signs that have followed me and they have also followed those who are faithful to deliver the word and or act upon the strategy.

So well done Carl and Brenda Krames in Gainesville Florida and Susan Jones, Pastor Gene and Ebenezer PH Church in West Columbia South Carolina. You guys helped deliver the word of the Lord, a strategy to mobilize the Church in your region to hear the voice of the Lord and God responded to your efforts. Well done.

These signs are God's way of saying "you mark my word!"

God marks His word because He wants us to hear and take action. **Will you hear the thunder of His voice? Will you utilize the plans He has given through Operation Rolling Thunder and CONECT.** He wants His House of Prayer built for all nations city by city. He wants the Mountain of the Lord's house of prayer established on top of the mountains. These are plans He's given by His spirit (1 Chron 28:11-12). When leaders apply them they see signs, wonders and measurable results.
